Experience

Founder, Wular Collective

Community Project (November 2021- Present)

Founded with an aim to generate medical aid for displaced Kashmiris, I sold original, handmade, homegrown and sustainable art and jewellery. Raised over 35,000 INR for the Kashmiri Medical Emergency Charitable Trust.

Project Manager, New Delhi Space Society

(June 2021 - Present)

Overlooked web, social media design and online interaction. Worked with the New Delhi chapter of the National Space Society in order to increase outreach and improve accessibility of space education for Indian youth.

Head Of Design, CodeDay Delhi NCR

Organizing Team (March 2023 - August 2023)

Worked as a core team member in organizing CodeDay Delhi event 2023 at IIT Delhi to improve Tech education among students around the city. Hosted several workshops given by experts. The event was non-profit and student run.

Research Intern, International Committee of the Red Cross

(April 2023 - May 2023)

Researched and wrote three detailed articles on the 'Scope of the ICRC Mandate' under the Regional Delegation of Bangladesh, Bhutan and Maldives. The articles were referenced in the company's Intranet posts.

Design and Content Intern, Indastro

(April 2022 - July 2022)

Designed the user interface for the website, worked on market sales and customer acquisition, interaction design and wrote 10+ articles for the company website.

Intern, Memomoti

Software Development (August 2023 - September 2023)

Worked to find a solution to market saturation in Edtech. Designed and developed an interactive landing page for the company and analysed market trends in Edtech.
